

## Custom Ear Plugs

### HEARSafe is coming!

Yes, Mike Maal, HEARSafe, will visit and setup to work at the Tewksbury Rod & Gun Club on Tuesday night, February 21, 2012. Starts a little before 7PM, Mike will make custom plugs until everyone is done.

Sign-up in advance to be certain you can get your Insta-Mold Custom Ears done. An initial deposit of \$15 is requested when you sign up for a specific time slot in advance at the bar. If you do not pre-register for a specific time, then it is first-come, first-serve basis.

We will begin around 7 PM and continue at twenty minute +/- sitting intervals. Your balance will be due the night of the fitting.

Cost: Solid color custom plugs either corded or smooth, will be \$65.00 a pair. This price includes finishing, return shipping, & handling. In order to get everyone done, Mike will finish them at his shop and then mail them to you.
