Win these two Red Ascend™ A10 Sit In Kayak's from The Tewksbury SCTP team. These \$300 kayak's are Affordable enough for beginners, functional enough for experienced kayakers, the Ascend™ A10 Sit In Kayak packs a lot of useful design details and performance features together at a great value. Designed to please any kayaker, the A10 starts with an advanced hull design that utilizes an extended keel with performance rocker and strakes to deliver maximum maneuverability, tracking, stability, and easy paddling. The large open cockpit offers easy entry and exit at the shore and restricts your movement very little while out on the water. Adjustable Seating System for great comfort. The dual position, quick hold paddle holders let you set your paddle down for a quick rest or a quick cast. Built-in multipurpose sternwell gives you a convenient storage space large enough for a 12V sealed battery, a 5 gallon bucket, a cooler, a dry bag, or other gear. Two cup holders and two large catch-all trays provide storage right there in the cockpit, alongside a convenient flat

section that works great for rigging a GPS, a fishfinder, and more. At the end of the day, the threaded and sealed drain plug allows you to quickly drain excess water, while the molded-over rubber grip handles at the front and rear make carrying this kayak easier. 10' 2" long, 31" wide, 37-3/4" x 22" cockpit. Weight: 51 lbs. Maximum weight capacity: 325 lbs.

You do not need to be present to win!!
